Subject: objection to Dairy Farm development

I wish to add my name to those opposed to the proposed dairy Farm development.

The school is full, there are already awful parking issues in the village and the loss of the field next to the school to housing would be a travesty.

As a walker I often walk across this field and would hate to see it lost to housing. The children at the school love seeing the sheep out grazing during their play times.

Yours

Johanna Tipping – Ashton Keynes resident
