I am leaving this comment on behalf of

Marian Curtis
25 Gosditch, Ashton Keynes, Wiltshire, SN6 6NZ
Telephone No. 01285 860651

She is an elderly lady and is unable to access / use the internet comment form on the Neighbourhood Plan website.

Her comments are as follows:

I am in agreement with the neighbourhood plan.

I object to the proposed development on Dairy Fields.

We should not be opening up any more Greenfields for development in the village.

Once you develop one Greenfield, everyone will jump on the bandwagon.

The village should not lose any of its important rural village nature.

The Dairy Farm field is also a ramblers paradise.

Flooding of this site is also an issue. I have seen a photo in the past with sailing boats on Gosditch!

Building on this site will pollute the River Thames.

There is enough concrete in Ashton Keynes already.

The road junction with the B4696 is also very dangerous.

The proposed parking to the rear of the school is a nonsense!

Parents and teachers will continue to park and drop off on Gosditch.

Kind Regards,
