**Subject:** RE: Pre-Submission Consultation Representation

I am leaving this comment on behalf of

M. J Saunders (Mike)  
2 Gosditch, Ashton Keynes, Swindon, Wilts

Mike does not have access to the internet and therefore unable to comment using the form on the Neighbourhood Plan website.

His comments are as follows:

***I wish to strongly object to the current planning proposal on the land at Dairy Fields for the following reasons:***

***The development is on a Greenfield site when other Brownfield sites are available for priority consideration.  
The size of the development is not appropriate and will adversely impact this area of the village.  
This site will inevitably involve more traffic using Gosditch where access is already difficult due to the width and nature of the road where it crosses the river into the High Road.***

***I therefore trust you will not support this proposal because the impact on the village has not been properly considered.***

***Yours faithfully,***

***M. J. Saunders (Mike Saunders)
